Wood Crochet Hook Size L / 8 mm

Price: \$45.00

Gregg designed this crochet hook with a thumb rest and finger flats. The thumb rest has a wide flat surface on top, whereas finger flats are smooth flats on the bottom. This allows a crocheter to handle the hook with ease. This crochet hook was constructed from the following woods: cherry, iroko, panga panga, purpleheart, sapele, walnut, and wenge.
